GOLDEN WEDDING ANNIVERSARY

Mr. and Mrs. Lorne Peck

A Drayton Valley couple cele-
brated their Golden Wedding Anniver-
sary last Sunday, with a number
of relatives and old friends on
hand to wish them well.

The Pecks held open house all day
Sunday in their home on the site
overlooking the river, southeast
of Drayton Valley.

Among the relatives who were pre-
sent for the occasion, were Mrs.
Watson from B.C., Mr. and
Mrs. Eric Jonson, Mr. and Mrs.
Garth Manchester, Lester Miller,
Chester Miller of Drayton Valley,
Mrs. Bainbridge of Edmonton; Mr.
and Mrs. Jack Crumb, Mr. and
Mrs. Ellis Crumb, and Mr. and
Mrs. Gene Crumb, all of Edmon-
ton. Mrs. Norman Payne and her
daughters from Orono; there
were a number of grandchildren
present and one great-grand child,
the son of Mr. and Mrs. Garth
Manchester.

Other guests included a number
of Drayton Valley folk, Mr. and
Mrs. Lyle Backett, Mr. and Mrs.
Albert Hodgson, Mr. and Mrs.
Ben Anderson, Rev. and Mrs.
Wright, Mr. and Mrs. Robert
Johnson, Mr. and Mrs. Andrew
Johnson, Mrs. Dobby and Mrs.
Lew, Mrs. Dunnington and Harvey
Orman, Mr. and Mrs. Lewis
Williams, Mr. and Mrs. Drury
Bull and Mr. and Mrs. Carl An-
derson, and from Rocky Rapids,
Mr. and Mrs. Dudley Edmonds
and Mr. Jim Watson.

A lovely three tiered wedding
cake, baked by daughter Mrs.
Eleanor Watson, was cut for
the occasion. The Pecks mount-
ed several fine gifts, and a large
number of flowers.

"And looking up they saw that the stone
had been rolled back, for it was very
large. But on entering the tomb, they
saw a young man . . . clothed in a white
robe. He said to them 'Do not be terrified.
You are looking for Jesus of Nazareth,
Who was crucified. He has risen,
He is not here.'"

Attention!

THE GUIDE & BROWNE MOTHEP'S will have their monthly meeting on the 27th of April at the home of Mrs. Irene Campbell. This cancels the previous notice for the 26th.

From Scoop's Notebook

Dave McLeure is home from the sea. David arrived home on far-lough recently after serving the first hitch of his training in the Royal Canadian Navy. He will be home for a couple of weeks before returning to the East Coast where he is stationed.

Playing baseball last Sunday Cliff Lindberg stepped on a broken pop bottle between second and third and almost got his toe cut off. In Drayton Valley Hospital skin was grafted from his arm to his foot.

Among the many who will be taking off for Easter holiday trips are the Burrows, Rex and Dorothy who will fly to Winnipeg, where Dorothy's parents live.

Headin' for California is Ken and Danita Bolling. They expect to be gone a month. Mrs. Bolling was raised in Central California at Williams.

Stip in Erie's Supermarket: "They said it couldn't be done, so he tackled it with a smile.... and he couldn't do it either!"

Mr. and Mrs. H. T. Deby took off from Drayton Valley recently to see the world from a Volkswagen.

Joining the ranks of benedictines is Elmer Madson who was man-Cass; Seattle, Vancouver and Victoria.

Rev. R. Brown was a recent visitor to All Saints Anglican Church. He will take charge in May.

God So Loved the World

Balance Strong

God so loved this world of ours and all the human race—that He sent His Son, a man of beauty, truth and grace—to redeem us through His love and win back what was lost—for nothing less than such a love could pay so great a cost.

God so loved the world that He devised a perfect plan—for the reconciliation of Himself with man—The height and depth and fullness of that wondrous love we see—in the Life that ended on the Cross of Calvary.

REPORT FROM PARLIAMENT HILL

By Hugh M. Norman, M.P.,
Jasper-Edson.
House of Commons
Canada

All eyes of course were on the Budget address last week. Finance Minister Fleming continued his course of fighting inflation to protect the savings of all Canadians in bringing down a balanced budget.

Highlights of the Budget:
Personal and corporation income tax remains unchanged.

Surplus of \$12 million compared with a deficit of \$405 million last year. Also a surplus of Old Age Security Fund for the first time since its inception (8 yrs.).

Changes in income and estate tax acts to help widows.

Maximum allowable deductions for medical expenses will be increased.

A new deal for the Civil Service, allowing for consideration of pay increases by groups and jobs.

Federal Government required borrowings of only \$210 million as compared with \$900 million a

year ago. This means more money available to provinces, municipalities and business.

Finance Minister Fleming said that we have achieved relative price stability and our economy was soundly based. However, we as Canadians must continue to save and increase our relative productivity to maintain our prosperity.

The Minister of Agriculture announced an 84 per cent deficiency payment on eggs to be made as soon as possible. The Minister stated that egg production is down and prices are now expected to stay above the floor, but that this payment was being made to make up for the adjustment period of November to February.

Payment will be made on the first 1,000 dozen grade A large or better marketed in period from January to 31st March.

SPORTS

By Peter Brooks.

We are now organizing a spring league for 8 or 9 weeks beginning April 25. Mixed teams of 5 with a minimum of 2 women per team. Trophies will be awarded to the team with the most points all those interested please phone Rod at the Bowling Alley. Phone 8359.

April 20-21-22-2 p.m. until 11:30 p.m.
April 23rd for out of town Bowlers 8:00 a.m. until 9:00 p.m.

D.V. Highlights

By: Edith Deby

Mr. and Mrs. W. F. Hill announce the engagement of their youngest daughter, Eleanor Ruth, to Mr. Rodney Movold, son of Mr. and Mrs. Martin Movold, of

the Drayton Valley folk who enjoyed the Barboursby Concert in the Edmonton Auditorium last Friday night.

Le Roy Sjendal reports that Rocky Rapids had plenty of excitement on Monday when a gas fire ran away. Quick action on the part of Mrs. Norman Hanson probably saved the Dalton Brown residence. The fire had surrounded the Brown house and was burning fiercely in the long grass growing about its walls. Mrs. Hansen rubbed in and rolled the deltal barrel full of fuel away while other residents of the hamlet were arriving. The men soon beat out the flames, and the greatest damage was to Mrs. Hanson's eye lashes and brows.

Mrs. Peacock is the latest addition to the teaching staff. Until late Mrs. Peacock has been teaching in the St. Mary's, so an old town is no novelty to her.

Mr. and Mrs. Leon Peck celebrated their fiftieth wedding anniversary on Sunday with an open house. During the afternoon and evening neighbours called to extend best wishes.

It was April 12, 1910 that Miss Amy Leona Miller and Mr. Leon Farrington Peck exchanged their wedding vows before Edmonton's, pioneer minister, the late Dr. McQueen, in the Presbyterian Manse. The bride's sister and brother-in-law, Mr. and Mrs. Walter young were the attendants.

During the first thirty years of their marriage the Pecks lived in Wabamun, Poolea, and Edmonton. In 1940 they moved to Drayton Valley to make their home with their only son.

The couple have four children:

ANDERSEN Motors

"If It's Insurable, We Can Insure It"

Attention! Truckers & Contractors= Industrial Lots For Sale

APPROXIMATELY ONE ACRE PER LOT, EXCELLENT LOCATION, TERMS CAN BE ARRANGED.

Eleanor (Mrs. Frank Watson), Mildred (Mrs. Eric Jonsson), Marjorie (Mrs. Art Andrew) and one son, Floyd. There are also nine grandchildren and one great grandchild.

The tea table was centred by the three tiered wedding cake flanked by yellow tapers and vases of roses. A large white wedding ball with streamers descending to the corners of the table hung above the table. Among the gifts were two beautiful d'Arcon comforters and many bouquets of spring blossoms.

Among the out of town relatives

who called were the Cramb family and Jean Balbridge from Edmonton, and the Payne family from Chowey.

One of the pictures taken was one of the four generations: Mr. and Mrs. Peck, Mrs. Eric Jonsson, Mrs. Garth Manchester, and little Dean Manchester.

Congratulations and best wishes for many happy years, Mr. and Mrs. Peck.

"The dying wish gaped to her husband, 'I must confess, I haven't been true to you.'"

"I know," he answered, "that's why I followed you."

THE TEACHINGS OF CHRIST AFTER HIS RESURRECTION.

(cont. from page 7)
yet indescribable thing which is so characteristic in our loved ones—the tone of voice. These of the senses have been called in to play—sight, touch, sound. In this record, we have related also His revelation to Thomas. A new point is added in making His reality well known. He invites Thomas to place his fingers into the nail prints and spear thrust, revealing not only a real body, but "the body". He was raised in the body in which He went to the cross. As Christians, we believe not in a resurrected body but the resurrection of the body. You will be like-wise raised in the body.

He now appears to the fishermen in their old, familiar haunts on the shores of Galilee. Here He performs one of His familiar miracles. He performs a miracle that only He could perform. He

gives them, after a night of weary nets, an overflowing catch. They learn that not only is the reality there, but the power. The body crucified in weakness had been raised in power. When they arrive joyfully at shore, they find a meal prepared. This body is also capable of work. He has prepared a meal and again sits with them. Luke, in the Acts, summed up all for us: "To whom also he showed himself alive—by many infallible proofs, being seen of them forty days—"

After His ascension, some of these men have recorded for us what they had learned in those days from His revelation of Himself, and exposition of the Scriptures. In Acts 2:31-32, Peter speaking, says, "He (David) seeing this before spoke of the resurrection of Christ, that his soul was not left in hell, neither his flesh did see corruption. This Jesus hath God raised up, whereof we all are witnesses." Again in

Acts 3:15, "And killed the Prince of life, whom God hath raised from the dead; whereof we are witnesses." Again in Acts 4:10, "By the name of Jesus Christ of Nazareth, whom ye crucified, whom God raised from the dead," John speaks plainly of his own certainty in I John 1:2, "That which we have heard, which we have seen with our eyes, which we have looked upon, and our hands have handled, of the Word of life—"

In the Revelation, he says, "And from Jesus Christ, who is the faithful witness, and the first begotten of the dead." This revelation was most important to the disciples. It transformed them from fear to boldness; from the law of the Sabbath to worship under grace on the first day of the week; from discouraged deadness to living hope. We need such a revelation, making a living Christ real to us, if we would be transformed from dead orthodoxy to a living experience with a living Christ. He who is alive

In spirit is also alive in bodily form. How this helps to personalize our daily relationship with Him.

The cost of the project will be charged against the properties abutting and shall be undertaken as local improvements. The special assessment will be payable as either a prepayment or over a period of 10 years.

Unless the Majority of the owners of the lands that may be assessed, representing at least half of the value at aforesaid, petition the council against it within two weeks after the last publication of this notice, the local improvement may be undertaken and the costs thereof assessed by the system of assessment referred in the notice.

If no objections are received the Council will proceed with this project at its discretion but within two years. Final reading of the By-Law will be given at regular meeting on the 15th day of May A.D. 1960.

W. G. JOHANNESON,
Secretary - Treasurer,
TOWN OF DRAYTON VALLEY.

The Crucifixion

And when they had crucified him, they parted his garments, casting lots upon them, what every man should take. And it was the third hour, and they crucified him. And the super-scription of his accusation was written over, THE KING OF THE JEWS. And when the sixth hour was come, there was darkness over the whole land until the ninth hour. And at the ninth hour Jesus cried with a loud voice, saying, Eloi, Eloi, lama sabachthani! which is, being interpreted, My God, my God, why hast thou forsaken me! And Jesus cried with a loud voice, and gave up the ghost. And the veil of the temple was rent in twain from the top to the bottom. And when the centurion, which stood over against him, saw that he so cried out, and gave up the ghost, he said, Truly this man was the Son of God.

TOASTMISTRESS CLUB MEETING

Easter provided the theme for the Pembina Toastmistress Club when they met for their regular meeting held in the Conservation Board offices, Tuesday, April 12.

Presiding for the meeting, Mrs. Mary Costello. Dorothy Burrows was Topic Mistress and Ed Nelson, Toastmistress.

Members of the recently organized Pembina Toastmistress Club in Drayton Valley were guests at a joint meeting of the Summit and Sunwapta Toastmistress clubs to meet Mrs. Edmond Brigham of Newport, Wash., International Toastmistress Club director. Mrs. A. P. McLarry and Mrs. W. B. Harven presided.

Members of both clubs, who were to present a skit on parliamentary procedure at the Council No. 7 convention of Toastmistress Clubs in Calgary, rehearsed their presentation for evaluation by Mrs. Brigham. Miss Eileen Boyd was topic mistress for the evening.

BANNARD-WESTLAKE NUPTIALS

Mr. and Mrs. Gary Bannard

Knox United Church in Edmonton was the scene of a pretty evening wedding when Miss Glenda Doris Westlake became the bride of Mr. Gary Leonard Bannard, at 7:00 p.m. February 6. The Rev. Dr. Craig read the double-ring ceremony uniting the couple in holy matrimony.

The bride was dressed in a full length gown with long pteropoint sleeves, low neckline and shoulder length veil. She wore a crown headpiece and carried a bouquet of red roses.

Bridesmaid Miss Barbara Zurich was dressed in coral semi-formal and carried a bouquet of pink mums. Maid of honor, Ruthie May was dressed in pink semi-formal and carried white mums.

The bride was Ed May. Ushers were Don Federalsky, Ted Tuzik and Ron Hodgson.

River Ice Goes Out April 7

The ice in the Saskatchewan River went out earlier this year than on the two previous years since the R.P.O. Elks have been conducting the Ice-breakup Pool.

The ice in the section of the river where the R.P.O. Elks had installed a stop-clock went out, according to the official record, at 3:20, 30 p.m., on the 7th of April, or, in other words, it went out at 32 seconds after 3:20 p.m.

Winner with the closest guess was Harry Ewanichuk of Forestburg, Alberta, whose guess of April 7, 3:20, 30 p.m., was only two seconds off.

The others who were very close were H.R. Riekos of Drayton Valley, whose guess, April 7, 3:

LODGEPOLE HOTEL

Lodgepole's hotel came a step closer to realization recently when plans were approved for a quarter million dollar structure which will be erected by Brasseau Lodge Ltd., a company formed to build and operate the hotel. The hotel will undoubtedly take the same name as the company and be known as Brasseau Lodge.

The large one story building will have twenty rooms and a shopping centre which will include a billiard room, stores, a bank, etc. The beverage room will seat about 250. It is expected that a start will be made on construction of the hotel before the end of May.

The hotel will be located on the east side of the highway, which is called Chip Lake Ave. It will be just north of the Carolina Ct. between that end of the street, occupying the entire section from the street to the Court, with adequate room for parking.

PEMBINA PIPE LINE LTD. STUDY FORESEES HURGE OF HYDROCARBONS

James A. Scott, President of Pembina Pipe Line Ltd., made public today a study of gas field products which indicates a quantity of liquid hydrocarbons greatly surplus to Alberta's needs. The study showed that in the first year of new gas export there will be a production of 92,000 barrels every day, which is nearly a third of Alberta's total daily crude oil production. Alberta's present production of liquid hydrocarbons is 14,000 barrels a day.

Mr. Scott was chairman of the Pembina-Producers Research Group that included representatives of companies whose gas wells will produce over 70% of the hydrocarbon products. The group heard from marketing companies, transportation companies, and product consumers.

Marketing surveys and engineering studies have also been made which are being financed by Pembina Pipe Line Ltd. through its wholly-owned subsidiaries Foothills Pipe Line Ltd. and West Alberta Products Pipe Line Ltd. The studies in quantities have been undertaken over the past two years and have been verified by several independent estimates.

The hydrocarbon products, which occur as a result of gas production, are propane, butanes and condensates. The condensates in turn contains motor fuel and diesel fuel. Gas reservoirs in Alberta are often classed as belonging to one of two natural areas known as the Foothills area and the Plains area. In the Plains area, the gas reservoirs are mainly sweet and dry. It is primarily

HOUSING PROJECT

Drayton Valley's first full-fledged housing development got underway recently when Mayor Adrian Meiers broke ground for the project, while Mr. John Gownall of Inter-Urban Developments Ltd. and the contractors Mr. Dunn and Mr. Peterson look on.

To start with eleven houses will be constructed; plans call for more to be built later.

From these fields that current natural gas production is being obtained. Production of additional gas for export will come from the Foothills area where huge gas reservoirs are of the wet variety.

A "wet" gas field produces natural gas containing large quantities of light liquid hydrocarbons. These must be removed from the natural gas before the gas can be moved to domestic or export markets. A limited quantity of these light liquid hydrocarbons are produced in oil fields.

Mr. Scott pointed out that even a few years ago none of the industry experts could possibly foresee the tremendous production of hydrocarbon products which will inevitably result from foothills area gas production. At that time, it was believed that the future production of these hydrocarbons would be sufficient only for the fuel, refinery and petrochemical requirements of the Province. In actual fact, the production of hydrocarbons resulting from new gas export will not only satisfy all possible requirements of Alberta, but will enable the Province to obtain further income by export.

There will be, according to the Pembina study, 92,000 barrels a daily made up of propane, butanes and condensates, all produced in the first year of export under the new export licenses granted Trans-Canada Pipe Lines Ltd. and Alberta & Southern Gas Co. Ltd. and Westcoast Transmission Ltd. by the Alberta Government and the Government of Canada. Alberta more than satisfies its present needs with a current production of 14,000 barrels a day. The entire Canadian demand for liquid hydrocarbons is such that even assuming an economic substantial surplus which must be utilized, Mr. Scott said. He pointed out that production would undoubtedly multiply rapidly after the first year of export and quoted an article in June, 1959, by Mr. L.S. Stabback, Gas Engineer of the Alberta Oil and Gas Conservation Board, in which Mr. Stabback

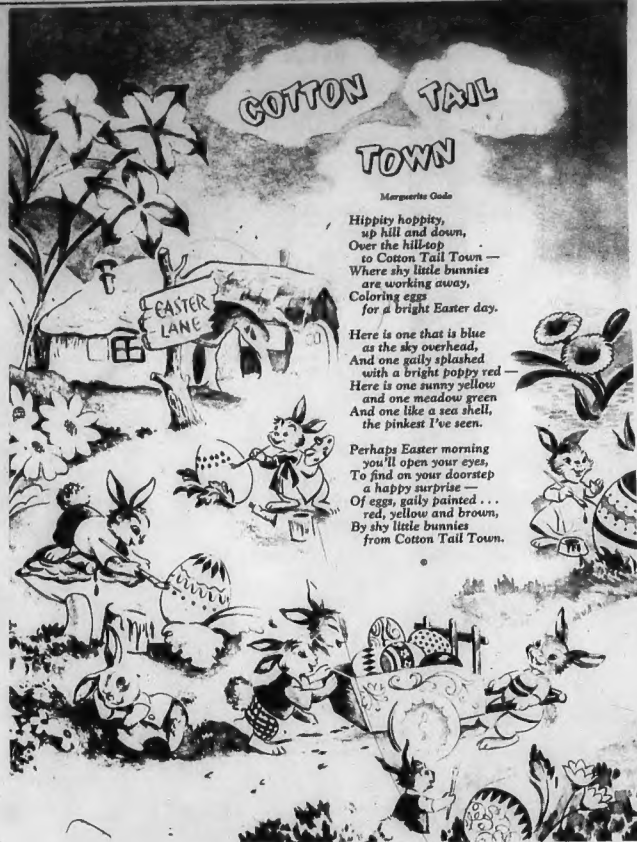

"Twas Easter when our Saviour Came back to life again From out the grave that held Him..... After the Cross of pain!

SPARKY SAYS

Clear Out "Junk" from collar, attic, closets!

Don't give him a place to start!

Marguerite Gude

Hippity hoppity,
up hill and down,
Over the hill-top
to Cotton Tail Town —
Where shy little bunnies
are working away,
Coloring eggs
for a bright Easter day.

Here is one that is blue
as the sky overhead,
And one gaily splashed
with a bright poppy red —
Here is one sunny yellow
and one meadow green
And one like a sea shell,
the pinkest I've seen.

Perhaps Easter morning
you'll open your eyes,
To find on your doorstep
a happy surprise —
Of eggs, gaily painted . . .
red, yellow and brown,
By shy little bunnies
from Cotton Tail Town.

Easter
Greetings

Hudson's Bay Company.

Drayton Valley, Alberta.

COUNCIL MEETING

The Council held a special meeting on the 15th of March to determine the 1960 Budget. Much preparation had gone into the budget. Estimates for 1960 in the past two months and the Budget meeting was the culmination of all previous work on it. The finalized estimate required the setting of a total mill rate of 80 mills broken down to School Levy, 32 mills; Municipal Levy, 23 mills and Hospital Levy 5 mills. Total expenditures for 1960 are estimated to be \$369,270.99, with a surplus of \$399.02 and Total Revenues, including an amount of \$16,000.00 to be used from surplus are estimated at \$310,270.00. It is to be noted that the total expenditures include Requisitions for Schools in amount of \$76,944.00; Hospital Expenses of \$12,000.00; Debt Charges of \$56,975.48; and Capital Expenditures for 1960 out of Revenue of \$46,000.00.

At a special meeting held on

April 5th, direction was given to apply for Winter Works Benefits for the Sidewalk Construction program, which is proposed for parts of the Residential District as well as the Commercial District.

The regular meeting of Council for April was held on the 14th, with all members of Council in attendance. The subject of combating dust from the streets in the residential areas prompted a motion by Council that, as soon as conditions permit, the Town take steps to oil the streets under the supervision of the Town Engineers in the manner suggested by Mr. Thideman, an engineer with Hadden, Davis and Brown, Ltd., Consulting Engineers for the Town. An estimated cost for the project would be about 10¢ per foot of frontage per annum.

(cont. page 10, col. 1)

BUILDING PERMITS

Thus far the month of April has been a busy month for the Drayton Valley town office in writing up permits for new construction. From the 1st of April to April 20th, \$203,000 worth of permits have been issued, presaging a busy year in Drayton Valley for all types of construction.

Following is the list of permits this month:

Roy Steeves, garage, lot 5, block 20;
Robert Haber, res., lot 5, block 25;
Douglas Neill, res., lot 19, block 44;
Imperial Oil, office and small warehouse, lot 10 block 10;
Stony Plain School Div. High School addition, lot B & D, block 38;
Wilbur Hibbel, trailer, lot 18, block 41;
David Orr, trailer, lot 18, block 41;
Mildred Lindgren, res., lot 21, block 24;

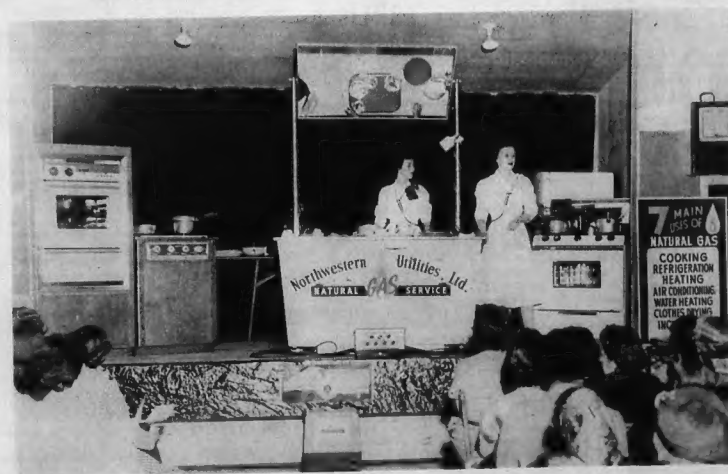

This anonymous picture shows the first inmate to occupy one of Drayton Valley's new cells in the Police Department of the new Town Hall.
